

BEFORE THE
POSTAL REGULATORY COMMISSION
WASHINGTON, DC 20268-0001

RETAIL ACCESS OPTIMIZATION
INITIATIVE, 2011

DOCKET NO. N2011-1

DAVID B. POPKIN MOTION NUMBER 11

September 12, 2011

Respectfully submitted,

N20111MOTION11

DAVID B. POPKIN, POST OFFICE BOX 528, ENGLEWOOD, NJ 07631-0528

On September 9, 2011, the Postal Service filed the Errata Notice to cover the Notice that was filed on August 30, 2011, to cover the application for non-public treatment of USPS Library Reference N2011-1/NP4. The Errata Notice states that the application is attached to the Errata Notice. The Commission's Daily Document Listing shows this Postal Service filing as a single PDF file [LR8-NP4 Notice [ERRATA].pdf] which when opened only provides a two-page Errata Notice and does not contain the attachment as referred to in the Errata Notice.

On September 9, 2011, The Commission issued Presiding Officer's Ruling Number N2011-1/11. This Ruling denied my original Motion Number 4 as being moot apparently based on the attachment to the Postal Service's Errata Notice. Since there was no attachment attached, the original Motion Number 4 is not moot.

Until I have access to the Postal Service's application with the data required by Commission Rule 3007.21, it is not possible to evaluate the validity of their action and make a meaningful motion for reversing their action.

However, it should be noted that the number of Post Office Boxes in use has been declared public by the Commission in Order Number 783 on July 29, 2011, in Docket Number A2011-18.
